

## PowerUp® Small Group Planning Worksheet

Class: \_\_\_\_\_

Period/Block: \_\_\_\_\_

The **5-Minute Check-In** helps you quickly identify students in need of additional time in the online program, teacher-led support or independent practice.

This Small Group Planning Worksheet can help you build on the 5 Minute Check-In routine and document a more detailed analysis of students' myLexia data. You can organize this information to prioritize small group instruction and monitor student usage and progress.

PowerUp Strand: \_\_\_\_\_

Student Names	myLexia® Data Analysis Summary	Teacher Observations	Instructional Priorities

### Action Plan

**When?:**

(When will small group instruction be delivered? For how long?)

**Where?:**

(Where will instruction be delivered?)

**Which Lexia Lesson®?:**

(Which Lessons have been recommended?)

**Pre-Planning Needs:**

**How?:**

(How will you evaluate progress/mastery and how will you further support, if additional support is needed?)

Note: The final pages of Lexia Skill Builders® may be used as final formative assessments.
