

Student Progress Tracking Sheet

Access the PowerUp Your Progress tile on your student dashboard. Use this document to help you track and evaluate your progress. If applicable, revisit your Student Goal Setting Sheet to see if your work in PowerUp is on target. Use the specific strand information to help you determine whether or not you are meeting your goals and develop a new plan of action, if necessary.

I am proud of my progress.

I thought I was doing well.

I had trouble with some of the units I worked on this week.

I really had trouble with most of the units I worked on this week.
