1. At what proficiency levels are my students working?

To use Lexia English, each student must be placed according to their proficiency level. View all your students' current placements in Lexia English, including their program level and the corresponding proficiency band from the Overview.

You'll also see a grade band, which is based on your students' rostered grade levels.

Proficiency Bands ⓘ					Current Band ⚙	Program Level ⚙
Emerging	Emerging	Developing	Expanding	Bridging	Reaching	
•						Entering 3-6 L2
	•					Developing K-2 L5
		•			•	Reaching 3-6 L19
		•				Developing K-2 L6
	•					Emerging K-2 L3
				•		Bridging 3-6 L17
•						Emerging 3-6 L5

- ▶ Use the arrows to sort students by **Current Band** or **Program Level** to see students working at similar levels.
- ▶ Note: The proficiency band label for some program levels will vary based on whether students are in grade K-2 or 3-6 in accordance with the associated proficiency standards.

2. How much have my students used the program this week?

Track your students' use of the program for the current week. View the **Minutes** column to see how much time each student has used the online program since Monday. You can also view the **Units** that a student has gained in that time.

- ▶ Use the arrows next to Minutes and Units to sort students and see who needs more time. Students with a high number of minutes but no units gained may need some additional support in the online program.
- ▶ For more information on usage, select the Usage tab at the top of the table.

This Week

38	22

What to do next:

Select the **Placement** tab in the upper left to review your students' placement levels. See **Lexia English Language Development Auto Placement and Guidance for Manual Placement** for more information.

3. Where do I access teacher resources?

- ▶ The Lexia English library of **Lessons** provides targeted instructional materials to accompany the program.
- ▶ The **Resources Hub** provides access to the lessons along with other professional learning materials.
- ▶ You can also access your school's specific URL, which is the fastest way to log into the **Student Program**.

What to do next:

Check this report throughout the week to see which students are using the program and who needs more support. Set usage goals for your students. Encourage students to monitor their own usage and celebrate their successes when they meet their goals!

What to do next:

Preview a Lesson to familiarize yourself with the format and structure. Bookmark the **Resources Hub** and **Student Program** links for easy, on-demand access.
