

Lexia[®] English Language Development[™]

SCOPE AND SEQUENCE

Lexia English Language Development is designed to help Emergent Bilingual students in grades K–6 acquire higher levels of English proficiency. The program integrates speaking, listening, and grammar in the subjects of math, science, social studies, general knowledge, and biographies, accelerating academic achievement and language proficiency.

Through a systematic Scope and Sequence that maps the program's content to the TX ELPS language proficiency standards, Lexia English creates personalized learning paths for all students by adopting an adaptive blended learning approach while offering interactive engagements and scaffolded activities. This document outlines the skills and concepts addressed in each of the program's levels and their alignment with the appropriate TX ELPS language proficiency bands.
