

# Say Hello to Lexia<sup>®</sup> English

Lexia English is an interactive, computer-based program that will help your child become multilingual by learning to speak English. Children learn from and have fun talking with 17 characters from around the world.

## Online Activities

Your child will develop English skills in speaking, listening, and grammar as they talk about the following topics:

Math

Science

Social  
Studies

General  
Knowledge

Biographies

Lexia <b>ENGLISH</b> LANGUAGE DEVELOPMENT Set Goals & Track Progress					
Name: _____		Date: _____			
Weekly Minute Goal: _____		Weekly Encounter Goal: _____			
Week 1	Week 2	Week 3	Week 4	Week 5

## Goal Setting & Progress Tracking Worksheet

Your child begins at a starting point that is just right for them, in one of the program's 19 levels.

Teachers and students set goals to track progress.

## Success is always celebrated!

Achievement Certificate and Character Reward Stickers

## Teacher-Led Instruction

Teachers monitor reports on your child's progress so they can jump in and help when needed.

Your child will practice language skills with a teacher and in small groups.

Students will also practice language skills with their classmates.

## How Can You Support?

**1** Use your home language with your child!

*In your home language, you can:*

- *Talk about everyday things.*
- *Tell stories.*
- *Read books together.*
- *Sing songs and play games.*

Mei

**2** Ask your child's teacher about their progress in the program and celebrate their new language skills.

Annie and her grandfather

**3** Practice speaking and listening skills with your child with the **Speak@Home** activities.
